BRENTWOOD HILLS HOA APPROVED PAINT COLOR LIST AND PAINTING INSTRUCTION RULES , Effective August 11, 2026

All paint color schemes are Sherwin Williams colors, but you can match to any paint brand you like. The colors you match must be exact matches to these Approved colors.

Any Trim can be substituted with SW#7005 Pure White of SW#7008 Alabaster.

Any White or Off White trim can not be used with any White of Off White body color.

A total of two colors are allowed on a house. Meaning one body color and one trim color. No accent painting or detail painting on the Residence is permitted.

No body and trim colors in the Paint Color Books may be swapped. You must paint the Body and Trim as indicated in the Scheme.

One front door color may be chosen from the Scheme or from the Approved Front Door Color List below. Front door colors are ONLY for the front door, nowhere else on the house.

Garage doors must match the body or trim colors only.

Please read the ‘PAINTING’ section of your Rules of Architectural Standards and Guidelines for details and rules of painting..
